Class of 2022,

It has been an amazing time being your teacher and advisor. You all deserve everything you have achieved! I will miss you dearly, and so I want to leave you with this final message: Remember there will always be many Conchitas in life, so just make sure you don't fall for any Rafaels :) IYKYK. Best of luck!

Señora Francisco

Dear Class of 2022 ,

You made it through the two most difficult school years that I can remember, EVER. I am very proud of ALL of you for getting the job done in your classes, sports, music, drama, and your jobs, and all of your other activities. Some of you still managed to do community service and volunteer work, in spite of the challenges of COVID. Some of you held jobs that were "ESSENTIAL", so that the rest of us could go to the store, or a restaurant. Some of you took care of the younger kids in your family while you were trying to do your own remote classes and school work. When you came to school you could not even sit with your friends at lunch time , and you rarely complained about wearing a mask. Some of you became sick with COVID, or your family members got sick, and you had to be even more isolated. When I think of you as a class, I think of all these things, and I admire you for all you have accomplished and endured. I sincerely hope that as you graduate, you may return to a more normal and enjoyable way of life. Set goals, make plans and work hard ! I appreciate you, and I will miss you ! Love, Mrs. Perriello

To my seniors: Take a breath. Let it out. Knock 'em dead.

I wish you all the best! You were my last class that I had the honor to teach 3rd and 5th grade too. Dr. Seuss says it best, "You are off to great places. Today is your day . Your mountain is waiting , so get on your way" Best Wishes, Mrs. McGrath

AMHS Class of 2022—

Congratulations!! You are a class of strong personalities—as diverse in your opinions as you are in the paths you will choose to follow in the future. It's been a privilege getting to know you—and to watch as you've developed your own ways of being in this world. As always, I see no reason to wish you luck out there—'cause you have SKILLS. Now, you'll have the chance to use them to do good and important work in this world. And trust me—the world needs you to do just that!

Fondly, Ms. Shepley

Dear 2022 Seniors,
